The American bark Mohican, Saunders master, arrived yesterday, 14 days from San Francisco. She brought a full general cargo and a deck load of horses and mules.

The crew of the British ship Troop was put aboard the vessel in Irons on Saturday. The ship was towed out of the harbor and anchored off Waikiki, where she laid all day Sunday. ## VEKED QUESTION SETTLED.

Once Represented as an International Dispute.

Some few months ago the foreign dispatches had it that there was liability of a serious dispute between Great Britain and Russia over a bit of foreshore at Chefoo. It appears that the matter has petered out into a mere private controversy, which, according to the following from the North China Daily News, has been satisfactorily settled:

Sir Robert Hart, on behalf of the Tsungli Yamen, has fully admitted Messrs. Fergusson & Co.'s right to the foreshore at Chefoo appropriated by the Chinese and sold to a Russian firm, thus fully acknowledging the justice of Sir Claude MacDonald's demand for compensation. Sir Robert has offered Messrs. Fergusson & Co. Tls. 1,000 per month, with fifteen per cent. compensation for disturbance, and as the latter consider this an inadequate price, it has been agreed to refer the question of the amount to be paid to the decision of two arbitrators, Mr. George Jamieson, British Consul, for the British claimants, and M. L. Rocher, Commissioner of Customs, for the Chinese. This is a very satisfactory solution, and we congratulate all those who have been instrumental in arriving at it. It completely confirms the view we have always taken as to the right of the riparian owner to all accretions; it settles a question which really threatened at one time to become serious; and it gives a welcome indication that the Tsungli Yamen still realizes the value of Sir Robert Hart's advice, and is still willing to make use of his common sense and practical impartiality. Under the circumstances it is, we can conceive, for tuncate that the Commissioner of Customs for the time being should happen to be a French citizen, while being an official in whom all nationalities have implicit confidence. Altogether, the settlement is one to be thoroughly commended; and great praise for it is due to the British Minister and the Consul General and Consul at Shanghai, the China Association and the Inspector General of Customs.

## "Put Me On At Buffalo."

The title of this wellknown song as well as the song itself emanated from the brain of an employe of the Buffalo Brewing Company. That enterprising firm, believing that a man who could compose so catchy an air must have a large and well balanced brain, straightway raised his salary. This has proven to be a good move on their part as is testified by the excellent qualities of their beer, which is dispensed over the bars of the Cosmopolitan, Pacific and Royal saloons at the rate of two glasses for 25c. It is always fresh and cold and life-sustaining. Or you can get one glass of Buffalo and one of Pabst beer, the fine product of the Milwaukee brewery. Exchangeable checks good at all the above-mentioned resorts are given in change if you only want one drink. "Best beer ever in Honolulu," is the verdict of many of our prominent citizens.
